Lurrae LLC, United States, 2013. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you interested in the ancient principles of Feng Shui, but have found the many books on the subject confusing and hard to implement? No wonder. There are many schools of thought on this environmental science. This book offers my simple method in a workbook format to begin to implement several Feng Shui principles using your home as the place to begin. Feng Shui principles offer a method to create a happier life, filled with more joy and balance as you gain clarity on, and move toward your dreams. When I became a Feng Shui consultant more than twenty years ago, my goal was to design consultations in a simple, logical, and methodical way. I developed the format and materials in this book and have used them ever since for home and business consultations. It is my style of life coaching. I use home as a personal workshop for taking action toward one's life goals, and a safe launching pad to initiate the changes needed to achieve them. My book begins with a brief history and description of Feng Shui principles. My process begins with an emphasis on the individual, getting to you, your motivation, goals and dreams during what I term, The Feng Shui Conversation. The Feng Shui Consultation follows with the actual viewing of property, home, and spaces where I share my observations and suggestions. Lined spaces are provided for the reader to record their intentions, and apply cures and remedies as their new placements in alignment with their goals, now made with greater clarity and intention. This simple format allows the client to embrace their environment from the macro to the micro point...
