Brand New Book ***** Print on Demand *****.Till Deaf Do Us Part chronicles the stages and experiences of over four decades of hearing loss and deafness in the author's life. The personal stories--the heartaches and the triumphs--are recorded of the child when learning of her hearing loss, of the high school and college student as her hearing declines each year, and of the adult woman as deafness arrives. The author refuses to be left behind, and instead, strives to remain in the professional world of education. She shares the tragic stories of...
