ESCAPE TO MARS

To download **Escape to Mars** PDF, please access the hyperlink below and save the file or gain access to additional information which might be relevant to ESCAPE TO MARS ebook.

Paperback. Book Condition: New. Bethany Crowley (illustrator). Paperback. 180 pages. Billy Chen and Amber Harris are two 10-year olds who, along with their parents, steal a ride on the space shuttle to avoid the impending destruction of Earth. Billys father, a particle physicist, believes he has accidentally created a black hole. To save humanity, a team of six adults and two children are rushed off to Mars to start a new colony. This story is exciting and fun -- and entirely safe for kids!Heres an email from a homeschooling mom: Isaac and Sam have been taking turns reading it aloud to me and they both really enjoy it. Isaac is a struggling reader but its caught his attention in a way that many books just dont. Im VERY appreciative. Thanks again! And this, from a review below: Aaron, my 9 year old, is just in love with this book. Escape to Mars also introduces kids to some science concepts. From a review -- It was fun reading about gravity and how to cope with no gravity while in space. It was very humorous to hear Billy explain the ugly side of no gravity while trying to care for and clean-up after the farm animals. Can you imagine! This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
