### ***Reviews***

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, after the way I believe.*

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. A full-length, standalone romance from the New York Times bestselling author of Archer s Voice. Dirt poor. Hillbilly. Backwoods hick. Mountain folk. Tenleigh Falyn struggles each day to survive in a small, poverty-stricken coal-mining town where she lives with her sister and mentally ill mother. Her dream of winning the college scholarship given to one student by the local coal company and escaping the harshness of her life keeps her going. Kyland Barrett lives in the hills, too, and has worked tirelessly through near starvation, through deep loneliness, against all odds to win the Tyton Coal Scholarship and leave the town that is full of so much pain. They re both determined not to form any attachments, but one moment changes everything. What happens when only one person gets to win? When only one person gets to leave? And what happens to the one left behind? Kyland is a story of desperation and hope, loss and sacrifice, pain and forgiveness, but ultimately a story of deep and unending love. New Adult Contemporary Romance: Due to strong language and sexual content, this book is not intended for listeners under the age of 18.
