

## Elementary Classical Greek (Paperback)

Filesize: 5.05 MB

### **Reviews**

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.*

*(Derick Brekke)*

## ELEMENTARY CLASSICAL GREEK (PAPERBACK)

Southern Illinois University Press, United States, 2004. Paperback. Condition: New. Revised. Language: Greek . Brand New Book. Now in paperback for the first time, *Elementary Classical Greek* is a trusted handbook for learning the language that does not presuppose a knowledge of Latin. Based on the premise that average American students can learn the language, the lessons are thorough but not pedantic, simple but not superficial, and the textbook has been proven in the classroom and for independent learners. *Elementary Classical Greek* stresses a clear and orderly presentation of the language, accompanied by individual sentences or short passages that illustrate grammar, give practice in reading, and help build vocabulary. Drawing on decades of experience teaching Classical Greek, Frederick Williams presents a text in which grammatical explanations are clear, succinct, and correct and the selected readings are varied, interesting, and useful. Included in the nearly one-hundred reading passages are excerpts from Plato's *Ion* and *Republic*, Aristophanes's *Clouds*, and Paul's first letter to the Corinthians. The popular textbook is designed for a course meeting for two semesters. There are twenty-four lessons in all, with appendixes on prepositions, Greek numbers, and the Greek verb, plus Greek-English and English-Greek vocabularies, a grammatical index of subjects, and a list of Greek authors cited. Selected readings are presented first in simple, then more complex, language until the reader is led to the actual words of the ancient author - all within the same lesson. This elementary device helps bridge many of the difficult gaps between modern English and ancient Greek.
