CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 112 pages. Dimensions: 8.0in. x 5.0in. x 0.3in. Do you have creativity and a desire to profit from your skills but no idea where or how to start a business? Have you had the idea over and over again that you could turn this talent into a business but continue to get confused and frustrated with the process or even the first step? Do you feel lost and alone in this new business world with nowhere to turn for guidance? This easy-to-read and implement book will show you how to start your creative business from home and from scratch. No more feelings of being lost and needing a direction to insure you have all your ducks in a row when starting a small business. Creative Business Startup has been designed to walk you through, step by step, exactly what you need to do and how you need to do it to be a successful business owner and operator. This book is for women who suffer from the mindset of, "I'm lost, where do I begin? Help, I've never done this before or my mind is creative, I don't think in business ways." As a creative small business owner myself, I've spent years studying, learning and mastering the steps it takes to start a small business from the ground up. Now let me save you time and trouble! Creative Business Startup will give you the tools and ability to start your business through: Confidently and accurately Branding your business for your ideal client; Guidance on legally forming your business and setting up the systems needed for finances and taxes; Bringing relief through creating systems for your business so you can manage and make more money. Holding your...
