THE INVISIBLE FORCE (PAPERBACK)

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A Story of What Might Happen In the Days to Come, When Underground London is Tunnelled In all Directions for Electric Railways, If an Explosion Should Take Place In One of the Tubes. A short story in the Doom of London series. Excerpts: There was a sudden splitting crack as if a thousand rifles had been discharged in the ballroom. The floor rose on one side to a perilous angle, considering the slippery nature of its surface. Such a shower of white flakes fell from the ceiling that dark dresses and naval uniforms looked as if their wearers had been out in a snowstorm. . An earthquake, somebody said at length. An earthquake, beyond doubt, and a pretty bad one at that. That accounts for the failure of the electric light. There will be some bad accidents if the gas mains are disturbed. . A scared-looking policeman came staggering along. My man, Lord Barcombe cried, what has happened? The officer pulled himself together and touched his helmet. It s dreadful, sir, he sobbed. There has been an accident in the tubes; and they have been blown all to pieces. . Nobody knew what to do; everybody had lost their heads for the moment. It seemed hopeless from the very start. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be...
