By CC (Community Colleges), Clifford P. Harbour, Patricia L. Farrell

John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Contemporary Issues in Institutional Ethics: Winter 2009, CC (Community Colleges), Clifford P. Harbour, Patricia L. Farrell, Examining the ethical dimensions of various institutional issues, policies, and practices at the community college, this volume fills a critical gap in the field. Chapters focus on topics that have an important ethical component and transcend specific program areas, campus services, and leadership positions, including OL P: * Negotiating the Community College Institutional Accountability Environment * The Importance of a Professional and Institutional Ethical Identity * Ethical Dimensions of the Open-Door Admissions Policy * Diversity-Affirming Ethics and Critical Epistemology: Institutional Decision Making in Community Colleges * Ethical Issues for Community College Student Affairs * Ethics in an Online Environment * An Inquiry Process for Individual and Institutional Ethics Community colleges exist within an increasingly complex environment characterized by constant change and a range of conflicting academic, community, political, and financial responsibilities. Campus leaders, faculty, staff, and governing board members are often called on to make decisions that balance interests and concerns framed by these considerations. Often these decisions have an ethical component. College personnel may be able to call on a rich literature...

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.
