PLAINS OF GOLD

Nicholas Peters. Paperback. Condition: New. 362 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. A rogue planet decimates the Martian surface. A few hundred thousand surviving Martians huddle underground, facing almost certain extinction. But one Martian volunteers for a desperate mission to get to Earth to seek help. Plains of Gold is a story about Mars, its people, and what could happen when humans make first contact with intelligent life from another planet. The novel recounts the history of an amazing civilization that existed on Mars long before humans emerged on this planet. And, it tells the shocking story of how a random act of violence could so easily lay waste to hundreds of thousands of years of Martian development. Plains of Gold recounts the historical launch of the Viking missions to Mars in 1976. It was through one of the amazing Viking landers that one Martian gave up everything he loved to come to Earth. Plains of Gold is also a thought-provoking book philosophical look at life, death, and eternal existence. It is also the story of love and its power to overcome the greatest obstacles we face. But mainly, Plains of Gold is a science fiction thriller that will keep you turning pages until the very end. If you love stories about Mars and real-life science, buy Plains of Gold right now Plains of Gold is the story of first contact and how humans deal with the fact that we are not alone in the universe. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
