Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. AUTHOR S WARNING: I need to add an Author s Warning to the listing for this book. I m also selling this book on street corners (not really, it s a phrase) and people who buy the hardcover copy of the book are reporting strange things happen after they finish the book. Some people say the ghosts in their houses become more active. Others report their views on things change. One person who read this from cover to cover packed a bag, told her roommates she had something to do and disappeared -- she just left for parts unknown. I m serious. I ve had everyone from very intelligent, very logical, science-based people to heavily devout Christians to New Agers to Gen X ers read the hardcover version of this book and things change either too them or around them. It doesn t seem to as often happen for those who buy the eBook. Something about the physical presence of the book, once completely read, changes people. Look, if you preview the book, preview the eBook version. Amazon included a lot more pages in the eBook preview. But if you buy it, buy the hard cover. Things seem to go wacky to the lives of some people when they read the hardcover. I do know that the conversation I transcribed into this book changed me and the way I look at things. So what is this book? It s an interview. I was sitting at a coffee shop when a guy plopped himself down in front of me, told me I was going to record and then transcribe his words. When I asked him what he was going to tell me,...
