When Anna, the young woman she cared for as a child, announces her intention to visit the elderly Maddie, Maddie recognises her last chance to unburden herself of a story that has gnawed at her for sixty years. For Maddie, rather like the butterfly cabinet she keeps safely under lock and key, has for too long guarded a secret: that of the day a four-year-old girl died at the big house where she worked as a nanny. 384 pp. Englisch.
