## COMPULSORY COMPASSION: A CRITIQUE OF RESTORATIVE JUSTICE (PAPERBACK)

University of British Columbia Press, Canada, 2005. Paperback. Condition: New. Language: English . Brand New Book. Often touted as the humane and politically progressive alternative to the rigid philosophy of retributive punishment that underpins many of the world's judicial systems, restorative justice aspires to a theoretical and practical reconciliation of the values of love and compassion with justice and accountability. Emotionally seductive, the rhetoric of restorative justice appeals to a desire for a right relation amongst individuals and communities, and offers us a vision of justice that allows for the mutual healing of victim and victimizer, and with it, a sense of communal repair. In *Compulsory Compassion*, Annalise Acorn, a one-time advocate for restorative justice, deconstructs the rhetoric of the restorative movement. Drawing from diverse legal, literary, philosophical, and autobiographical sources, she questions the fundamental assumptions behind that rhetoric: that we can trust wrongdoers capacity for meaningful accountability and respectful community, and that we can, in good conscience, deploy the idea that healing lies in (re)encounter to seduce victims to participate in restorative processes. Essential reading for anyone with an interest in restorative justice, *Compulsory Compassion* should also be read by scholars and students of criminal justice and legal theory.
