Common-law pleading stands forth in it in its finished form. It places Mr. Stephen in the foremost rank of juridical thinkers. Besides its theoretic excellence, exhibiting the principles of pleading cohering in a logical system, the work is rendered eminently practical by introducing a summary and connected account of the whole proceedings in a suit, in which the end that pleading subserves in litigation, and the forms through which it works, are distinctly presented. This edition of the work has been prepared especially for American students of law. It is, nevertheless, as will be presently seen, the best edition for the practicing lawyer. In the year 1824 Mr. Stephen published the first edition of his work. In the year 1827 he published the second edition; and in the advertisement to that...
