

Mind into Matter: A New Alchemy of Science and Spirit (Paperback)

By Fred Alan Wolf

Moment Point Press Inc,US, United States, 2001. Paperback. Condition: New. Language: English . Brand New Book. Alchemists of old attempted to make sense of the universe - to discover the connection between mind and matter. Some of today s scientists, in particular quantum physicists, are doing the same. In his latest contribution to the study of consciousness, physicist Fred Alan Wolf reveals what he calls the new alchemy - a melding of the ideas of the old alchemists and the new scientists to reach a fuller understanding of mind and matter. An elegant book with short, stand-alone chapters, each framed by an alchemical symbol and its definition. Thought-provoking for scientists and lay people alike.

Reviews

Very useful to all of category of people. I actually have read through and that i am sure that i will likely to go through once more again in the foreseeable future. I realized this book from my i and dad advised this publication to find out.

-- Alta Kirlin

This is the very best publication i have got read until now. It is definitely simplified but shocks within the fifty percent of the pdf. You may like how the article writer create this pdf.
