We come in compliance with an usage long established, and every way of most appropriate and beneficent influence. We are not alone in this service. Thousands in our own noble state, and other thousands in many other states of this great confederacy, are now gathered in their respective places of worship for a similar purpose. It is a beautiful sight - that of a great and free people thus voluntarily setting apart one day in the year for the public recognition of their dependence upon God, and the free, full utterance of their gratitude to Him for their many national and personal blessings. It is full of cheering and hopeful omens. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
