

How to Make Cities More Resilient: A Handbook for Local Government Leaders (Paperback)

By -

United Nations, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. This handbook is designed primarily for local government and policymakers in their disaster risk reduction and resilience activities. It offers practical guidance-understand and take action on the Ten Essentials for Making Cities Resilient, as set out in the global United Nations campaign Making Cities Resilient: My City is Getting Ready! . The handbook is built on the knowledge and expertise of campaign partners, participating cities and local governments. It responds to the call for better access to information, knowledge, capacities and tools to effectively deal with disaster risk and extreme climate events. It provides an overview of key strategies and actions needed to build resilience-disasters, as part of an overall strategy to achieve sustainable development.

Reviews

This ebook is really gripping and fascinating. it had been writtern extremely perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Leopold Hills

Totally among the finest publication I actually have at any time study. I am quite late in start reading this one, but better then never. I found out this publication from my dad and i suggested this pdf to discover.
