Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, after the way I believe.

Bantam Doubleday Dell Publishing Group Inc, United States, 2005. Paperback. Book Condition: New. 173 x 105 mm. Language: English . Brand New Book. Can love, romance, and marriage really be better the second time around? That's what four best friends are about to find out in Jean Stone's sexy, smart, and poignantly funny new novel about saying 'I do' all over again. It's an idea just crazy enough to work—a wedding-planning business tailored for second weddings run by four single best friends who've loved, who've lost, and who are ready to start again. A successful Boston publicist, Jo Lyons has returned to West Hope after a devastating breakup left her career and her heart broken. Now she'll try to pick up the pieces among the three women she knows best. Lily, the fun-loving, free-spirited eternal optimist. Sarah, the strong-willed unconventional artist. Elaine, the would-be domestic diva. It's Elaine's upcoming second marriage that will be the inspiration and test model for their new business, Second Chances. For Jo it just may be an unexpected second chance of a different, far more romantic kind, but only if she's willing to give love—and life—another try.
