## The Automation Vol. 1 of the Circo del Herrero Series Volume 1

By B. L. A.

S.O.B. Publishing. Paperback. Condition: New. 376 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. The capital-A Automaton of Greco-Roman myth aren't clockwork. Their design is much more divine. They're more intricate than robots or androids or anything else mortal humans could invent. Their windup keys are their human Masters. They aren't mindless; they have infinite storage space. And, because they have more than one form, they're more versatile and portable than, say, your cell phone and much more useful too. The only thing these god-forged beings share in common with those lowercase-A automatons is their pre-programmed existence. They have a function a function their creator put into place a function that was questionable from the start Odys (no, not short for Odysseus, thank you) finds his hermetic lifestyle falling apart after a stranger commits suicide to free his soul-attached Automaton slave. The humanoid Automaton uses Odys's soul to reactivate herself. Odys must learn to accept that the female Automaton is an extension of his body that they are the same person and that her creator-god is forging a new purpose for all with Automaton. The novel calls itself a Prose Epic, but is otherwise a purposeful implosion of literary clichés and gimmicks: A Narrator and an Editor...
