

By the People, for the People: American Politics. a Lost Cause? or a Time for Change? (Paperback)

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.
(Mitchell Kuhn III)

BY THE PEOPLE, FOR THE PEOPLE: AMERICAN POLITICS. A LOST CAUSE? OR A TIME FOR CHANGE? (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How many PhD s do I hold? None. How many MBA s do I hold? None. So what qualifies me to write this book? I represent the average, fed up American citizen who just tries to get by while securing some sort of future for my family. I like so many others are tired of how so many of these professional politicians are taking advantage of us, the American people. Being nearly 50 years old as of the writing of this book I have lived and experienced much in my life. I grew up young, my father dying before I was 12 years old, mowing lawns to pay bills when I was a kid. When I grew up I have sacked groceries, was a residential glass glazier, artist, been in management, helped those in need, done manual labor, made my share of mistakes, been a small business owner, now a writer and someone who doesn t know what the future will bring. The point being, I am not a professional politician, but I am me, I am you and I am your neighbor. Our founding fathers did not foresee the bastardization of their vision, I truly believe that in my heart of hearts. We as citizens of this wonderful country have allowed those we have elected and put into positions as public servants to circumvent our founding fathers wishes, dreams and goals. The time has come for drastic and sweeping changes. I don t profess to have all the answers but I am willing to put pen to paper and make some radical suggestions that if implemented I feel will give back power to the everyday people, empowering them to truly hold...
