PHILIP S DAUGHTERS: WOMEN IN PENTECOSTAL-CHARISMATIC LEADERSHIP

Wipf Stock Publishers, United States, 2009. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Description: This volume brings together twelve scholars from a variety of scholarly fields including biblical studies, history, theology, sociology, anthropology, and missiology in a multi-disciplinary exploration of themes related to women s leadership within the three branches of the renewal movement: Holiness, Pentecostal and Charismatic traditions. These scholars - women and men - from both within and outside the traditions, draw on various methodologies including hermeneutics, ethnography, critical theory, and historical analysis to explore the experiences and contributions of women from the movement s inception to the present. They keep before us the challenges that still impact women s full participation as equal partners in ministry and leadership on both the American and global scene. The volume looks at the multiple roots of women s marginalization within the renewal movement while suggesting progressive solutions that take seriously the social locations of Pentecostal and Charismatic congregations and the theological foundations on which the movement has been built. At the same time, it locates these discussions within the broader postmodern realities facing the church as it attempts to faithfully live out its witness to the biblical truth that both male and female are created in the God s image and endowed with the capacity to work creatively toward the unfolding of the Kingdom. Endorsements: My childhood experience led me to believe God called both men and women to full-time ministry. My mom and dad were listed as co-pastors of every church they served. This volume documents, in detail, the complexities of Philip s daughters as the Pentecostal-charismatic tradition...
