Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This omnibus collection includes Days Gone Bad, Wolves and the River of Stone, and Winter s Demon in one trade paperback. That s three complete novels of Damian s dark, gritty, and occasionally hilarious urban-fantasy adventures. Days Gone Bad (Book 1) My name is Damian Valdis Vesik. I am a necromancer, an ability feared and hated as much as the powers my master and I set ourselves against. We ve vanquished many evils, but now something is releasing an old darkness, forcing us to hunt an enemy beyond anything I ve faced before. I was already busy enough with vampires, fairies, witches, Watchers, weddings, and .damn, I need a vacation. Wolves and the River of Stone (Book 2) Philip, Zola s boyfriend from 150 years ago, is not nearly as dead as we thought. I really wish he was. Not only has he kidnapped Zola, but he s raising an army to scour humanity from the Earth. Hopefully the local werewolf pack will help. What could possibly go wrong? Winter s Demon (Book 3) Some things can never be undone. The horrors I ve defeated - or even caused - with my own hands.they are nothing compared to what s coming. Philip Pinkerton has brought his madness upon my family, my own blood. His army of necromancers is on the move, harbingers of a great darkness. I fear the war has begun.and damn, I don t get paid enough for this.
