As ten-year olds, they had taken an oath of secrecy vowing that no matter what they would never squeal on one another. Though very different personalities, they were tight with one another. At 30-something, they find themselves living in Manhattan at the same time and plan a reunion of their secret club. Once they have caught up on their lives, they decide to maintain contact with one another to play racquetball. On one occasion at the court they befriend RAUL CABRERA, a handsome and very prosperous Argentinian who is in the import-export business of antiques and ancient relics. Raul invites his new buddies and their wives to a party at his luxurious, 5th Avenue penthouse apartment where they meet Raul's exotic, sensuous, and beguiling Brazilian wife, SASHA. She wants to leave him but is afraid. Each of the buddies believes that he is special and will do whatever he can to protect her with the expectation that she will go off with him once she divorces Raul. Unbeknownst to the four buddies, it is Sasha who has the connections to the drug cartel. She has been...
