Filesize: 2.48 MB

Reviews

Absolutely essential read through book. Yes, it really is enjoy, nonetheless an interesting and amazing literature. Your daily life span is going to be transform when you comprehensive looking over this ebook.

(Mr. Cielo Koch II)

THE GEOLOGIST OF THE SOUL: TALKS ON REBBE-CRAFT AND SPIRITUAL LEADERSHIP (PAPERBACK)**DOWNLOAD**

Albion-Andalus Books, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Once, when Rabbi Zalman Schachter-Shalomi was still a young Hillel director, he took his students to meet the seventh Lubavitcher Rebbe, Rabbi Menachem Mendel Schneerson (1902-1994). To his embarrassment, one of his students asked the Rebbe, What is a rebbe good for? But the Rebbe was not offended and offered this amazing response: I can't speak about myself; but I can tell you about my own rebbe. For me, my rebbe was the geologist of the soul. You see, there are so many treasurers in the earth. There is gold, there is silver, and there are diamonds. But if you don't know where to dig, you'll only find dirt and rocks and mud. The rebbe can tell you where to dig, and what to dig for, but the digging you must do yourself. In this amazing series of talks, Rabbi Zalman Schachter-Shalomi, the founder of the Jewish Renewal movement and one of the world's leading authorities on Hasidism, discusses Jewish spiritual leadership from the perspective of the Hasidic Rebbe, applying traditional Hasidic models and teachings to contemporary situations. He covers issues of identity for spiritual leaders, the teacher-student relationship, spiritual guidance and intercessory prayer. Anyone who is deeply involved in Jewish spiritual leadership, or a student of Hasidic models of leadership, will find a wealth of valuable information in these informal talks on the subject.
