But this isn't it. After seven years waiting and hoping, civil servant Nicholas Machida is finally on the list of Harvestees: one thousand lucky citizens hoping to qualify for addition to the great city of Euchaeta. At last, he will be reunited with the fiancée he was separated from seven years ago in the previous Harvest. At last, he can stop merely existing and look forward to actually living again. Unfortunately, his dream of becoming a member of this perfect society is suddenly shattered when a chance mugging forces him to kill a man, nullifying his potential admission. Plunged into a nightmarish spiral of fear and depression, Nicholas's world begins to crumble around him as everything he thought he knew about right and wrong, justice and injustice, rapidly falls apart. In addition to this, he soon also finds himself on the run from an uncannily efficient judicial system which itself appears to be perfect in every way. With just four days remaining until his Harvest, Nicholas is forced to...
