Valposa Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The ABC s of CBD: The Essential Guide for Parents (And regular folks too) by author Shira Adler, explains Why Pot Is NOT What We Were Taught. Every day there is one more person / parent who becomes canna-curious or an inadvertent advocate based on their needs, and those of their family. From aging parents, to disenfranchised millennials, to children with disorders, addictions, and diseases that boggle the mind and break the heart. ADHD, Alzheimer s, Anxiety, Autism, Cancer, Chronic Pain, Colitis, and much more. this is our new reality. The antidote? Science points to CBD, and daily headlines agree! Yet the average American has no idea what it is, how to use it, or if it s legal to do so! Stigma, fear, social injustice, and misinformation continue to loom large in the psyche of America. Accessible for any reader, The ABC s of CBD is a practical, educational, and comprehensive guide - alternatively humorous and hard hitting when it needs to be, answering all the things you ve ever wanted to know about cannabinoids, but were afraid to ask. CBD is the other ingredient in hemp and pot - the one that doesn t get you stoned - but can still help make you better. Discover how the ancient wisdom of plants combined with cutting edge scientific research could change your life. This is the moment where the medical marijuana revolution is transforming our belief system and the way we perceive this once highly stigmatized substance. That s why author, speaker, advocate, and entrepreneur, Shira Adler, (#MAMA: Modern Altnernative Mom Advocate and #ThePotMom), is once again using her voice to provide information, education, and awareness for what is happening at this moment...
