Cornerstone, United Kingdom, 2009. Hardback. Book Condition: New. 200 x 138 mm. Language: English . Brand New Book. So your husband/boyfriend/partner (delete as necessary) has just tipped over 35/40/45/50 (delete as necessary) and you can see that he s not quite as keen on Emmerdale as he once was. He s started to dress with his jeans hoiked too high like his hero Jeremy Clarkson and he s bought a home gym - the one recommended by George Clooney. Then there are those Harley Davison brochures delivered in brown envelopes. And you ve noticed he s started pulling in his beer gut when he s talks to his teenage secretary. And why have his grey sideburns turned that browny black that s a sure sign of hair dye and then you stumble into the bathroom in the morning and he s got his hands in a jar of your face cream. Ladies beware! That dangerous age has arrived. It s the male menopause. The mid-life crisis. The time when suddenly you find your partner has put a whole Scalextrix track in your attic without you noticing. He s bought an electric guitar and insists on playing Smoke On The Water to the cat at all hours. It that time when no matter what you say they suddenly don t mind making a fools of themselves. They come home almost every week with a new enthusiasm. Dangerous Men don t just cook - they COOK. With truffles, that cost GBP210 for one the size of a wrinkled scrotum, and have to be from the right region of France. And they must be served with a side order of blowfish, because you saw that in a James Bond DVD that came free with the Mail on Sunday .
