Aquaculture Desk Reference (Paperback)

By R. Leroy Creswell

Springer-Verlag New York Inc., United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.As the aquaculture industry has expanded throughout the world, it has embraced the experiences of many fields of study to meet increasing technological challenges. The complexities of modern hatchery methodology, more intensive growout systems, and the application of diverse biological and physical sciences to aquatic animal husbandry have reached beyond the ability of most aquaculturists to enjoy an in-depth knowledge of all phases of the aquaculture process. More importantly, in order for the culturist to have at hand the information necessary to make basic decisions, it requires an extensive library of textbooks and scientific literature. The Aquaculture Desk Reference serves as a concise compilation of tables, graphs, conversions, formulas and design specifications useful to the aquaculture industry. It also provides examples, in a straightforward manner, of how information in tabulation can be used to derive values for specific system design and process strategies. Tables and graphs in this volume also provide background documentation and authority for further reference. The Aquaculture Desk Reference is a convenient source book that will alleviate the need for an extensive personal library...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Otis Wisoky

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
