Oxford eBooks Ltd., 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Lee tires of living with his abusive, street-preaching uncle and makes an escape from him and the small, run-down town in which he was born. He finds himself vulnerable and alone in Los Angeles where he soon encounters Father Doyle - a fighting, drinking man of his own few rules. Together, the two survive by stealing what they need until Lee is lured away by Tiffany Lily, a faded TV star making her way back to the top. But the sleazy life among the super-rich is little better than the tough life on the streets of LA. This is a gritty study of the American dream turned sour; you can expect strong language throughout and scenes of an adult nature.
