Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Death is on the menu: With the Wedding Killer behind bars, the witchy Beatrice Knight Timmons is able to focus on managing The Cozy Tea Shoppe. But when the African God of Death pays her a visit after losing his throne, danger is back on the menu. All decorum is thrown out with the tea leaves as the line between the living and the dead gets thinner with the passing of every full moon. Only Miss Knight can persuade the powers-that-be to reinstate Death and the circle of life. But everyone has their own agenda, and time is running out. While the small colonial town of Nairobi is used to all manner of monsters and mayhem, this latest debacle might need more than a pot of tea to endure it. This is the second case in the Cozy Tea Shoppe Mystery series, where Jane Austen meets Lara Croft in colonial Africa. Tea isn't the only thing that's brewing in the delicious sequel to the Society for Paranormals series. Join supernatural detective Miss Knight as she attempts to keep the kettle hot and her customers satisfied (or at least alive) while dodging murder, mayhem and other inconveniences. Serving tea has never been more dangerous.
