The Z Chronicles: The Beginning is a story about two girls surviving the Zombie Apocalypse using skills that they learned at home and on the road. Surviving among a new world where all that they have come to know and love are just a memory. This is the first of their adventures with more to follow as my imagination runs wild. If you like zombie stories, come into my world for a story or two. Thank you for trying my book. Lori felt the warmth of the morning sun move across her body. The fall was bringing cool nights but keeping the house closed up kept the upstairs fairly hot. She listened for sounds that her younger brother and sister, Jay and Virginia, were up and moving around. The house seemed eerily silent for the morning. Usually she would awake to Jay driving the younger Virginia crazy about something or other. She forced herself from bed and pulled on her shorts and an old t-shirt and headed down to the family room. That was when she saw why it was so quiet. Jay and Virginia were studying the muddy hand prints on the windows. This item ships from La Vergne, TN. Paperback.
