iUniverse, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Carl s perspective is truly unique and insightful in understanding the global economy and the geopolitical situation today, which is why this book is so helpful and timely. - Steve Forbes Will America remain the world s preeminent power? Could emerging market countries like China challenge our leadership? Can America avoid the low growth, high debt fate of Japan and Europe? Learn how America can stay a dynamic global leader by following a pro-growth economic agenda, rebalancing eight key relationships, growing with emerging markets, pursuing a realistic China policy, and executing a forward-leaning trade policy as well as a conservative foreign policy. This book is a blueprint for America to remain the strongest and the most prosperous, independent, respected, and influential nation in the world. We just need to follow it to build both a new American century.
