Hodder And Stoughton Ltd. Feb 2018, 2018. Taschenbuch. Condition: Neu. Neuware - 'Takes us to the stars and back while questioning whether our fate lies within ourselves . . . a joyfully intellectual book; the whole narrative could be read as a dream, as a clever paradigm in ways that resonate with David Mitchell. The novel is as much about the exploration of space and the psyche as it is about the human heart, equally fathomless, equally inexhaustible.' Irish Times 288 pp. Englisch.
