A 50 year exploration on the meaning of love, life, spirituality and religion has culminated in this visionary book of reflective meditations and poems. In To The Hard Roof of The Universe, Nafis Khans eloquent wisdom and evocative poetry, speaks to the soul of those seeking to explore why we exist, how we deal with love, pain, joy and grief, in essence the very expression and miracle of life. The poetry and sentiments expressed, are open to multiple levels of interpretation, which both awaken and uplift the spirit, whilst at the same time defying conventional thinking. It is a book that explores passion, love and the conflicts of different faiths as seen...
