I made all the spiritual levels to sit with God on his right side on a flat disc. In this book I showed what I used to make it there. The space aliens picked me up back in 1947 and my life has not been the same since. In fact, they are telling me that I am a placement for Moses. They said. You tell your people Moses parted the Red Sea. You tell them they aren't seen nothing yet. It seems that I have some special powers. Up till now, however, I don't quite know what I'm supposed to do with them. Once, eight psychics were trying to get inside me and read me. I decided to show them something. I sent a lightning bolt down the middle of a table where they were sitting at that blew all eight of them clear off their chairs. I think you get the idea. It will be a new experience for you when you read this book. Why I wrote this book. The gray aliens asked me to write this book and so did God when I sat with Him on his right side on a flat disc and watched the universe turn. The gray aliens asked me first. They asked me years ago. So, I started working on this book since 1977. I put my whole life down in it. The result is these unusual life stories. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
