## My Watery Self: Memoirs of a Marine Scientist

By Stephen Spotte

Three Rooms Press. Paperback. Book Condition: new. BRAND NEW, My Watery Self: Memoirs of a Marine Scientist, Stephen Spotte, In My Watery Self: An Aquatic Memoir, author/scientist Stephen Spotte traces a fascinating trail through a life that began in West Virginia coal camps, drifted through reckless bohemian times of countercultural indulgence in Beach Haven, New Jersey, and led to a career as a highly-respected marine biologist. Together, these stories form a view not just of one man's life, but that of a generation that often refused to take a direct path to the workplace, insisting instead on a winding unveiling of true self-realization, to achieve previously-unimagined outcomes. For Spotte, the key was water: His years of beach living led to a self-initiated study of literature and the sea. He eventually returned to college and received his training as a marine biologist, and discovered, through his singular voice, a wet and occasionally very weird perspective on the world. His writing is engrossing throughout, the stories he shares--such as his stint as curator of the New York Aquarium at Coney Island at the tail end of the hippie era--are compelling and thoroughly enjoyable as he elevates the people and situations he encounters...

### Reviews

*Very useful to all of category of people. I actually have read through and that i am sure that i will likely to go through once more again in the foreseeable future. I realized this book from my i and dad advised this publication to find out.*
