Most months I fly to different parts of the world to assist customers to migrate their software systems. It s a great job, which I love. I get to travel, meet new people and experience different cultures regularly. The only major drawback to my job is being away from my wife Amanda. Being away for one, two or even three weeks at a time takes its toll on our relationship, without her support I could never do the job I love. We always communicate via Facetime, Skype, WhatsApp and Email to catch up on the day s events, but still I miss her dearly. So, to let her know I m thinking of her, every morning before I get out of bed I reach for my phone and text her a Good Morning Poem. Over the years I have sent hundreds and in this book I would like to share some of them with you.
