The Author uses biblical examples as well as her life experiences in the book. You will find yourself in one of these stages, Dream, Expectation, Setback, Testing, Intervention, Nurturing or Yielded as you navigate the Road towards your Destiny. The book can also be used as a personal devotional, or for a group study. When used for a group study, it will help foster communication and exchange of thoughts on the challenges each person is facing. You will be encouraged when you hear what others are going through and how God is strengthening them in the midst of their challenges. I believe you have a divine purpose, but unless you submit your will to the Lord, you cannot fulfill the divine purpose. You will truly be encouraged.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
