Reviews

Definitely one of the better publication I have got possibly read. It really is writter in basic phrases and not difficult to understand. You wont sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

TORCHY AND VEE (PAPERBACK)**DOWNLOAD**

1st World Library - Literary Society, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Some of these stories were written while the Great War was still on. So the setting and local coloring and atmosphere and all that sort of thing, such as it is, came from those strenuous days when we heroic civilians read the war extras with stern, unflinching eye, bought as many Liberty bonds as we were told we should, and subscribed to various drives as cheerfully as we might. Have you forgotten your reactions of a few short months ago? Perhaps then, these may revive your memory of some of them. You may note with disappointment that Torchys got no nearer to the front-line trenches than Bridgeport, Conn. That is a sentiment the writer shares with you. But the blame lies with an overcautious government which hesitated, perhaps from super-humane reasons, from turning loose on a tottering empire a middle-aged semi-literary person who was known to handle a typewriter with such reckless abandon. And where he could not go himself he refused to send another. So Torchys remained on this side, and whether or not his stay was a total loss is for you to decide.
