## 13 GHOSTS OF HALLOWEEN

Scholastic, 2007. Soft cover. Condition: New. "The 13 Ghosts of Halloween is one of my favorite Halloween books. The story is humorous and engaging, promotes math and counting skills, beginning reading, encourages audience participation (think story time in school or the library - or even just reading with mom and dad) and the illustrations are great too! I've had many kids stop by my booth to check out this book & a lot of parents will snap it up and once I explain that you can "sing" the story to the 12 Days of Christmas I'll actually have people start singing it with their kids and borrow my chair so they can sit and read the book. It's awesome!" - Tina Peterson.
