Chronicle Books (CA). Paperback. Book Condition: New. Paperback. 256 pages. Dimensions: 7.6in. x 5.1in. x 0.9in. For too long now Phaic Tan has been closed off to the outside world, a country visited each year by just a handful of hardy travellers, aid agency workers and hostage negotiators. Hot, humid and covered in lush vegetation it is often described as The Armpit of South-East Asia. Quadrille Publishing, in association with Jetlag Travel Guides, are proud to present the first serious introduction to this undiscovered jewel. A fascinating land of contrasts with one foot in the past and another striding determinedly forward, Phaic Tan truly is a nation going in circles. The book is packed with information for everyone, from the budget backpacker to the luxury traveller. This invaluable, up-to-the-minute guide contains everything you need to plan your trip to Phaic Tan, birthplace of the trouser press and irritable bowel syndrome. About getting there: The national carrier royal Fok Tok Airlines (named after the legendary flightless bird) has worked hard to lift its safety record after a minor incident in 1996 when a plane overshot the runway by 57 kilometres. Where to Stay: The Orient Star Hotel in the capital Bhumpatabumppah, is so luxurious that in every room the mini bar comes complete with a live-in cocktail waiter. The Food: Phaic Tanese cuisine is best described as explosive, a flery mix of chilli, garlic and pepper to which food is occasionally added. Etiquette: As in many other Asian countries it is considered rude to point with ones index finger. If you need to indicate a direction or signify something, do so with a series of sharp pelvic thrusts which will generally get the message across. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
