

## Rhythms of Love: Poems for All

By Randeep Kamal Wadehra

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 112 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. LOVE has many shades. It is perhaps the only creed that is not normative its followers make and observe their own norms. Love is a feeling that numbs all senses. It is an experience that heightens sensibilities. Love is a chemical reaction that involves pheromones. It is a spiritual function. Love is blind. It opens ones eyes to an entirely different world. Love is profane, feral a thoughtless consummation of carnal desires an all-consuming passion. Love is sublime it prompts one to sacrifice ones all without expecting anything in return it is tranquility personified. Confused Not surprising, really. It is a phenomenon involving curious contradictions. It has not been demystified despite the best, or is it the worst, efforts of poets, philosophers, scientists and ordinary folks. One can say something similar about hate, too. This collection, Rhythms of Love, deals with these two powerful antithetical emotions. This item ships from La Vergne, TN. Paperback.
