

A Christian's View of the Torah

Filesize: 2.69 MB

Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.
(Dr. Lukas Hills DDS)

A CHRISTIAN S VIEW OF THE TORAH

WestBow Press, United States, 2012. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. A Christian s View of the Torah is a series of essays illustrating how the Torah uses numerous literary devices often seen in great works of art, such as symbolism, parallelism, reflections, and repeated themes. This book presents the Bible (or at least the Torah) as a unified whole with consistent underlying themes rather than a collection of disjointed stories. And it shows, from the Christian point of view, how the Torah points toward Christ and His church. Most biblical study guides fall into two extremes. At one end of the spectrum, they are directed toward the uninitiated or new Christian and are therefore so simplistic that they give no new insights to a Christian wanting to grow. At the other extreme, they are so academic that a doctorate in divinity is required to get anything out of them. A few strive to touch the middle ground, which allows the average Christian to grow and to add to his faith. A Christian s View of the Torah is an attempt to strike the middle ground. This book is not intended as an evangelistic tool but as an aid for those who wish to move from the milk to the meat of the Word and gain some new insights to old familiar stories. It is intended for those who have a working knowledge of the Bible, particularly the Torah, the Historical Books, the Gospels, Acts, and the Epistles- in short, Genesis through Second Chronicles and Matthew through Jude. This is a single Christian s point of view.
