

From Dust to Diamonds: How Small Entrepreneurs Can Grow and Prosper in Any Economy

By David Oreck

TAG Publishing LLC. Hardcover. Condition: New. 176 pages. Dimensions: 8.6in. x 5.8in. x 0.9in. Stop Discounting! Start Selling! For more than seven decades, David Oreck has been successfully marketing products to the American consumer. He took his little startup vacuum company and turned it into a household name and not by relying on big advertising or slick sales pitches. He understood that the customer does not want to be sold; they want value! Just like many small business people today, Oreck started his company on a shoestring and a dream but to compete with the national brands and big corporations, he had to get creative. This meant taking his product directly to consumers and bypassing the middlemen. Success was not easy and there were many challenges that could have suffocated his small company - but his persistence and marketing prowess kept the company going - and growing. It is easy to think that times have changed, but the truth is the consumer hasn't and once you really understand your customer you have the key that will solidify your place in the market. This is good news for all the little companies that may be wondering how they could ever compete with...

Reviews

The publication is easy to read through and safer to comprehend. It is actually loaded with wisdom and knowledge. It has been printed in an extremely simple way and is particularly simple right after I finished reading through this pdf where it actually modified me, affecting the way I believe.

-- Ms. Clementina Cole V

This is the very best publication I have ever read until now. It is definitely simplified but shocks within the fifty percent of the pdf. You may like how the article writer created this pdf.
