Dostoyevsky Wannabe, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I m besotted with this beguiling, hilarious, rollocking, language-metamorphosing novel. The future of the queer avant-garde is safe with Isabel Waidner. Olivia Laing Gaudy Bauble stages a glittering world populated by GoldSeXUal StatuEttes, anti-drag kings, Gilbert--George-like lesbians, maverick detectives, a transgender army equipped with question-mark-shaped helmets, and birds who have dyke written all over them. Everyone interferes with the plot. No one is in control of the plot. Surprises happen as a matter of course: A faux research process produces actual results. Hundreds of lipstick marks reanimate a dying body. And the Deadwood-to-Dynamo Audience Prize goes to whoever turns deadestwood into dynamost. Gaudy Bauble stages what happens when the disenfranchised are calling the shots. Riff-raff are running the show and they are making a difference.
