Createspace, United States, 2015. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Once I was travelling from Darjeeling to Gangtok by road. The social you, the professional you, the parent in you, the son in you. All seem to be a different shade. So what is your actual shade? Or do actually have a distinct shade. These are the questions which go through my mind. Are we really an amalgamation of colours, just like the ray of light which carries an apparent wholeness till a spectral intervention brings out its different shades? The way you are constituted, somehow, comes through your expressions in its various avatars. As the digital revolution ushered in, I also took to blogging....
