

Feasible Planet: A guide to more sustainable living

By Ken Kroes

1779671 Alberta Inc. Paperback. Condition: New. 330 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. Are we doing enough? Are you concerned about the state of our planet and hope that governments and corporations will find a sustainable way for us to live? If you do not think about it too hard, that may work, but will it? Left on their own, with drivers of popularity and profits, I am not too convinced that it will. The missing part of this equation is you and me. Individuals who believe that corporations and governments can do better. Individuals who believe that through action, we can buy a bit more time to develop and implement solutions to our critical issues. Did I hear a groan out there when you read the word actions? Do not worry! Most of the actions that I am referring to will not only help save the planet, but will benefit you right away through saving money, time, better health, and having a happier life in general. Sustainability goes beyond controlling our consumption and pollution. There are key social, political, and economic areas that need to be addressed as well, and there are several steps that individuals can take to help...
