Absurdum Add Paradoxico, United States, 2012. Paperback. Book Condition: New. Uffda (illustrator). 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.GET IT is my attempt to aid people in consciously knowing themselves better by introducing them to their unconscious interactions, exemplified through the possibilities, quantum physics proposes; too enlighten spiritual and physical reality unified in God. I also rip the fabric of mindspacetime denoting, exposing, and transliterating various negative entities and paradigms in; social groupings, corporate uncultures, political flabbergasts, unjustifiable injustice, along with toxic individuals, that interfere with positive unity in IT, as I convey some of the how of transcending mind to effect humane change whilst enhancing positive coherence with IT. Nothing is truly what IT appears to BE!.
