Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

HOW TO BE A POP STAR (PAPERBACK)

Ransom Publishing, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. So you want to be a pop star. Where do you find a band? How do you get a gig? What s recording all about? And most important - do you look cool? It s all in this book. Get the facts. Then read the story The Stormers and find out what happens when pride gets in the way of making great music. This fantastic book features an exciting combination of both fiction and non-fiction. The non-fiction section enables readers to engage with the subject matter, using dramatic illustrations and bite-sized texts. The beautifully illustrated fiction story appears in two formats - short, simple texts for more able readers and an illustrated speech bubble version of the same story, for those who are really struggling. Part of the Trailblazers series, this book is brilliant for keeping reluctant readers engaged.
