Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest eBook i have read during my very own daily life and could be he best eBook for possibly.

It has been almost a year since the Amish community of Pleasant Valley lost Ezra Brand to a tragic accident. Since then, his wife, Rachel, has struggled to raise their three children and run their dairy farm Rachel s friends and family have come forward to help Rachel s friend Leah, who is now married and expecting a child; Ezra s brothers, who work on the farm; and Rachel s parents, who are no strangers to grief after their only son, Johnny, left the Amish community. But their constant advice, however well-intentioned, puts undue pressure on Rachel. And when Gideon Zook Ezra s best friend, who survived the accident asks her permission to build the greenhouse that Ezra had always promised her, she finds his presence too painful a reminder of the past. As spring turns to summer, and Rachel puts her heart into growing the flowers and plants that have always brought her joy, can she discover the courage to make her own choices and embrace new beginnings?.
