Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Mathematical Association of America: List of Officers and Charter Members The Mathematical Association of America was organized at Columbus, Ohio, on Thursday and Friday, December thirtieth and thirty-first, 1915, as the definite outcome of a wide demand for an organization which should have for its field that of collegiate mathematics. The call for this meeting was authorized by four hundred and fifty persons representing every state in the Union, the District of Columbia, and Canada. The report of the organization meeting and the constitution as there adopted, were given in the January, 1916, number of The American Mathematical Monthly, which had been made the official journal of the Association. In accordance with a provision of the constitution, those who should be admitted to membership before April first, 1916, were to constitute the list of Charter Members. This list of 1,045 individual members and 52 institutional members is presented herewith. As fully as the members furnished the data asked for, there is given (1) the name in full; (2) the leading degree, with the institution by which it was given; (3) the official position, with the institution represented (if any); (4) the mailing address, where it is not simply the institution given in the preceding. The data have been brought up to December 1, 1916, so far as was possible, in order that this list may be the more useful to the members of the Association. To the Charter Membership list is appended the names of individual and institutional members elected at the meeting of the Council at Cambridge, Massachusetts, September first, 1916. It is believed that the data as here assembled contain no serious inaccuracies, as they have been...
